# Hospice Launches New Bereavement Service

St Raphael's Hospice has appointed 38 year old Anthony Boland as Bereavement Support Co-ordinator. Anthony is in the process of recruiting a team of volunteers who will make pro-active contact with bereaved relatives after the death of a patient under the care of the hospice, to ensure that we continue to help families through this difficult time. He will work closely with our Social Worker and Nurse Counsellor.

• Anthony Boland

Before coming to St Raphael's Anthony was a secondary teacher and trained counsellor. Before that he worked for a number of years as a priest. His experience in both pastoral and counselling settings makes him well qualified to develop this new service. Welcoming his appointment, Matron of the Hospice, Mrs Marjolijn Ford said: "We have close contact with relatives throughout a patient's final illness and Anthony's appointment will enable us to continue supporting them during the difficult period of their bereavement". The new service is due to start at the beginning of April and is being supported by the Tom and Sheila Springer Charity and Help The Hospices.

## St Raphael's welcomes new pastoral care sister

Also taking up an appointment as Pastoral Care Sister in the Hospice is Sister Lina D' Cruz. Sister Lina joined the Congregation of the Daughters of the Cross of Leige in 1985 Bombay Province in India, and came to the UK at the request of the English Province of the Daughters of the Cross, to replace the late Sister Mary Declan. In her role she is responsible for pastoral and spiritual care. Sister Lina has already met many patients and their families. She has had a meeting with the Hospice Chaplains representing local Roman Catholic, Church of England, United Reformed and Emmanuel Church, all of whom who regularly visit the hospice to conduct services and offer pastoral care.
